

People coming into foodbank have often walked, and some from quite a distance. The homeward journey can be difficult, particularly if they are taking food for two or more people. Being able to pack supplies into a rucksack makes it much easier.

If you have an unused backpack/rucksack that's still "fit for purpose" which you are happy to give away, please see Phil or Moira. Thank you.

# Bentley Baptist Church

Love God Love People Love Life

**Week Commencing Sunday 27<sup>th</sup> January 2019**

The 2019 Tour takes place 2-5 May. The route comes through Bentley, passing right in front of the church building. To join in with the community support for the event, Amy is looking for an old bicycle that she can paint and put on display in the church grounds. So, please have a dig through your sheds and garages! Thanks.

**Those who sow their tears as seeds  
will reap a harvest with joyful shouts of glee.**

Psalm 126:5 TPT

As you can see from the above, we're still struggling to find people willing to serve refreshments after the morning service. Please do give this some serious thought – the more volunteers we have, the better – it's all part of being family together!

Welcome to our Sunday morning worship. We hope you will feel at home among us. If you're here for the first time, please sign the visitors' book, and do stay and chat afterwards - refreshments will be served in the lounge through the back.

The children will leave part-way through to go to their own classes, and there is also a crèche for the very young.

Is someone missing from the congregation? Why not give them a call. If you know/are informed of any pastoral concerns, please speak to Anne Gosling, our pastoral care co-ordinator (07902 833630). If Anne is not available, please speak with one of the Leaders when you are at church.

#### **Musicians Wanted!**

Do you have a heart for worship?  
Is God calling you to stir up your gift?  
If you've ever played a musical instrument and it's now just sitting in the attic, or hanging on the wall, and you believe that God might be asking you to pick it up again, come to the "Open-to-All" worship practice for musicians on 15<sup>th</sup> February, 7.30-9.00pm, and bring your instrument. See Ian or Ruth for the songs we'll be using so you can come prepared.

As at 21<sup>st</sup> January, following six wins, two draws and three defeats, the football team is top of the YCFL Premier Division.

Their next home match is scheduled for 10.30am on Saturday, 2<sup>nd</sup> February. Why not go along and support. Home matches are played at Balby Carr Academy, Weston Road, Doncaster.
